SELECTED WORK EXPERIENCE

- South Bend Regional Museum of Art-Curatorial Technician** 08.2007-07.2008
- I was hired for an eleven month position based on a grant for the purpose of photographing the entire permanent collection and archiving the work into a digital database; creating various design projects for marketing, promotion, and web design; providing various IT support for staff members; and assisting with the installation and de-installation of every exhibition and event. 01.2007-03.2008
- South Bend Regional Museum of Art – Instructor**
- Instructor of *Digital Photography and Photoshop*. The class focused on understanding the SLR and point-and-shoot camera, then moving to importing, scanning, manipulation, restoration, and printing. The class used Adobe Photoshop and an Epson 2200 archival inkjet printer.
- Chadon Photography – Photographer** 05.2005 – 06.2006
- Traveled all over Indiana and the surrounding states shooting various college and high school graduations – usually unaccompanied. Graduations ranged from 300 graduates all the way up to 680 in Indianapolis. Some included doing group shots of the entire class and portraits with strobes before and after the graduation.
 - Shot portraits of families and couples at “Symphony on the Prairie”, Connor Prairie in Indianapolis.
 - In charge of several sororities Bid-day shoots at Purdue and Indiana University using medium-format and flash.
- School of Fine Arts—Seminar Assistant** Spring 2006
- Responsible for providing an introduction into web design using Dreamweaver, and ultimately supporting my BFA colleagues in the creation of their own personal portfolio sites.
- Joshua Naylor Photography – Web-designer/Programmer** Spring 2006
- Created my own portfolio website featuring all my photography and other various projects.
www.joshuanaylor.com
- Nancy Aires Jewelry – Web-designer/Programmer** Spring 2006
- Created a portfolio based website for fine art jeweler and sculptor Nancy Aires. Photographed the jewelry to be used for the website as well as various shows and exhibitions.
